“ Janet & Brenda,

I am so sorry to hear about your mothers passing. Thirty three years ago, your mother hired me.

She was such a wonderfully nice person. Always caring about everyone else.

There was one thing you should know, she was so proud of both of you girls! After she retired and we ran into each other, all she could do is talk about how great you both were doing and about her wonderful grandchildren.

As we experience the life cycle of loosing our parents, the one true light in our hearts can be that we made them proud and that they knew how much they were loved. You both aced it here. I will be thinking of you all and keep you in my prayers.

“ Janet and Family, I was very saddened to see that your mom had passed away. I know it has been a long time since we saw each other but I will never forget our time together at Bergners and even the chats we had with your mom at your house. I do remember some specific chats that we had about marriage. Your mom was a wonderful woman and she loved you very much. You are all in my prayers at this very difficult time.

“ I wish to express my condolence to you as June was a great person to work with. I worked with her on my Friday crew and she was a great person to work with and a pleasure to make people happy including myself. She will be sadly missed at OSF. Prayers are with you and your family

“ Janet and Brenda,

Your Mom was a wonderful woman! She was always kind and compassionate. She will be remembered forever by many. Our thoughts are with you. Our hearts are heavy for you. Grandma' and my brothers send their sympathy too. Love and Hugs, Misty (Cuz)

“ Dear Janet and Brenda,

My heart is heavy, and mere words cannot express my sympathy for you and your family. I am so sad your mom isn't here to celebrate Christmas with you. I received her Christmas card in the mail, and she was so excited that Janet was able to stay through the holidays, and that Brenda and her family would be home as well. I know she's in a better place and that's supposed to be a comfort (and someday it will be), but for now I agree with your sentiments that "it's extremely crappy". I won't be able to be at the visitation or funeral on Saturday, but know that everyone who loved June is there with you in thought. With much sympathy,

Cathy Johnson
