“ Margie, Linda, and Kelly
I was saddened to hear that your mom had passed. I will never forget how wonderfully open your mom and dad were to having all of invade your house when we were in high school. Those are some of my most precious memories from those days. I'm sorry I couldn't make it back to Gridley to tell you in person. I pray for God's comfort and in your time of loss. Blessings, Rick Kirkton

“ To Rosie family,

We would like to express our sympathy to you for the loss of your mother. We always had a good laugh when visiting with her. She had a great sense of humor and was very witty with her replies. She was a wonderful lady with a very kind heart and a very good neighbor. I know you treasure a lot of fond memories of her. Our thoughts and prayers are with you.

“ It has been years since we were neighbors in the country north of Gridley. I even babysat you girls a few times. I loved that your mom and dad called me Rachel as did my Grandmother. There are good memories of good neighbors. You all are in my thoughts and prayers. Wishing you God's peace.
